## ABOUT THE DEPARTMENT

---

The **Department of Humanities and Social Sciences** plays a unique role in an institute where the ethos of science and technology prevail. It is believed that engineering and science are, by their very nature, humanistic and socially derived enterprises. The HSS department was established in JIIT in 2001. The department is a source of change-facilitators who serve to complement the existing and emerging educational programs by imparting professional and behavioral competencies and thereby, transforming our students to become the new-age leaders in their chosen professions. The department constitutes of faculty from Communication Skills, Individual & Group Behavior, Psychology, Literature, History, Political Science, Sociology, Economics, Finance, Marketing, Entrepreneurship, Culture and knowledge management.

## ABOUT THE CONFERENCE

---

The HSS Department is organizing a 3-day International conference on Translation across Cultures: Dissolving Boundaries Creating Harmony from 4-6 October 2018. We always see/describe translation in different metaphors as a vehicle, a means, and a bridge between nations, bringing knowledge, wisdom and new modes of thinking to the receiving culture or reviving the tradition. With this objective in mind the conference attempts to bring together various disciplines, multiple cultures, and countries and diversified human minds under one roof. Accordingly, themes have been built around the academic disciplines of literature, language, History, Geography, sociology, linguistics arts, Media studies, and Technology but all embodying the principles of translating cultures. Unifying Mankind.
